

Girl's power-Expressing feeling and confidence after getting certificates

ANNUAL REPORT

2022-23

NAI PAHAL CHARITABLE TRUST

"Putting a step forward towards empowerment"

From the Desk of founder

Nai Pahal, over the years has been working towards Skill Development, Women Empowerment, Education, Health and Hygiene, Environmental Challenges, Mother and Child Care, Legal and Human Rights, Micro Finance, Capacity building of youths and women and Community Based Issues and wellbeing of 'the underserved and marginalized individuals and communities. In the year, 2022-23, *Nai Pahal* has been concentrated towards its development initiatives, organizational growth and Holistic Development of the Society. In the mentioned year, we have extended our support to the community and enrolled more than 400 adult, youths and adolescent at our center.

With our committed services and professional approach of managing our current functional centers, we have delivered several community based services i.e. conducting need base research, collecting data, organize community meeting, raised community voices at local forums, as area Counselor, MLA and other public representatives in the area of North East District of Delhi and NCR.

While I present Annual Report for 2022-2023, I take the opportunity to THANK all our Donors, Partners, Government stakeholders, NGO networks and colleagues and those who have availed our services for uplifting their life and for being part of this journey which has been truly enriching and satisfying one.

Nai Pahal continues to remain a 'developing organization' by keeping itself on the ground and continuously listening to the voices of women, youths, adolescent, children, Vulnerable community members and trying to do justice to their rights.

With a young and committed team, *Nai Pahal* will keep doing quality works with synergetic efforts of community and supporters. For us the journey has just begun and we welcome all on this mission.

Dr. Manohar Lal Rana
Founder President
Nai Pahal

About the Organization:

Nai Pahal was founded by young professionals of social and development fields, in the year 2010 with a sole objective of Holistic Development of Society. It is a registered national level Non- Governmental Organization under the Indian Trust Registration act 1882. It is neither profit making nor political in nature.

Nai Pahalis a developmental organization of national repute believes in humanitarian development and facilitating community development initiatives since 2010. Our strategy is to empower the vulnerable sections of the society by building their capacities through Education, Skill Based Training, apprenticeship, right based workshop, exposure visit, field visit and market visits to enhance the capacity and skills of youths and girls and women. We are working for the cause of human development focusing on the less privileged sections of the society in the rural and urban areas of the country. The organization primarily focuses on the issues related to Health and Hygiene, Skill development and Education, Micro Finance and Livelihood, Women and youth Empowerment, Mother and Child Care, Gender Balance, community based issues and Environment Protection.

Nai Pahal is one of the fastest emerging organizations in the area of Development. Its aim is to render suitable services to the poor and vulnerable persons of the Walled City areas of Delhi/NCR and its surroundings.

MISSION

We endeavor to provide the less-privileged children, women and youth education, knowledge, skills, values and facilities that will enable them to compete in the mainstream environment and live with dignity in the society.

VISION

We envision contributing significantly towards quality education, healthcare and livelihood facilities to the socially and economically disadvantaged people.

OBJECTIVES OF THE ORGANIZATION

- To provide better health facilities.
- To create awareness among the community on personal health & hygiene and water & sanitation.
- To provide better education facilities for weaker section of the community.
- To create awareness among the community on Child Protection, women empowerment and community based issues.
- To develop the skills of adolescent & women through various skill development training programs.
- To educate community for their legal rights.
- To sensitize the community about the local issues.
- To make people self-reliant and self-sufficient.

INTERVENTIONS

- Education
- Skill Development
- Women Empowerment
- Social development
- Health & Hygiene and Water & Sanitation
- Environmental Challenges
- Mother and Child Care
- Micro finance and Livelihood Generation

Education-An initiative towards making empower the youths

Nai Pahal believes in mainstream education because it provides a way for success and makes the people capable to learn about the world, earn their livelihood and turn to next step to make their life happy. They could contribute to their family and society in a better manner. Therefore, Nai Pahal always encourage all students and their family members to get high education and also motivate volunteers and team mates to get professional education so that they could work on community issues with interest and understanding. We got success. Today, all team members and volunteers are getting

profession education. Nai Pahal motivates all to be part of education system from class 1st to Ph.D.

Participating in event

Skill Development-An initiative for skilling India

Nai Pahal believes in skill to make the girls and women empower. Therefore, Nai Pahal started vocational training centres where it is skilling the youths, especially girls and women through different vocational training so that they could be a part of skill India initiative and earn their livelihood easily. Therefore, Nai Pahal is providing computer education, dress designing, cutting & tailoring, handing craft making, painting, mehandi and beauty culture, etc. Nai Pahal emphasizes both on soft and technical skill to develop their personality. Therefore, it is providing different session on personality development, communication, retail marketing, spoken English and social issues to make them aware about the social and national issues.

Skilled girls behind the bridal girls- Making Bridal during final evolution

Training to make hanging crafts

Addressing social issues as child abuse/women violence

Women Empowerment

Nai Pahal has started a campaign to empower the girls and women as dynamic personality to be a part of the society to change the life of other girls and women through different intervention. Now, girls and women are actively working to improve the life of themselves and others being a change maker. Nai Pahal believes in holistic development of them so that they can face the social, economical and political challenges and contribute to their family and society with strong and capable personality. Therefore, Nai Pahal is making trained them in legal knowledge, importance of education, power of right to information act, role of skill in their life, self defence training to protect themselves and health and hygiene for safe and protected life.

Legal Awareness Session

The Legal Awareness session is also being organized in this area. The reason behind this activity is there are huge domestic violence problem/issues in this area. Mostly, the breadwinner of the family is male who is very much indulge in drinking alcohol and other harmful activities and because of having alcohol it is very common beat the other family members especially his wife.

Nai Pahal has taken this initiative to conduct legal session so that the domestic violence activities can be minimized and the cases would be raised with appropriate authorities. Nai Pahal organizes legal awareness session once in a months through the legal experts/advocates and social activists. The main issues discussed during the session are mentioned below:

1. Issues of Domestic Violence
2. Gender Equality and women empowerment
3. Child Rights
4. Right to Education
5. Right to Information
6. Child Abuse
